7-day FREE TRIAL

WHY ASTRONUMERICS

Less arithmetic. *More consultation.*

Manual charts take hours, and a single slip changes a reading. AstroNumerics does the calculation in seconds and shows every step, so your time goes into what clients really come for: your guidance.

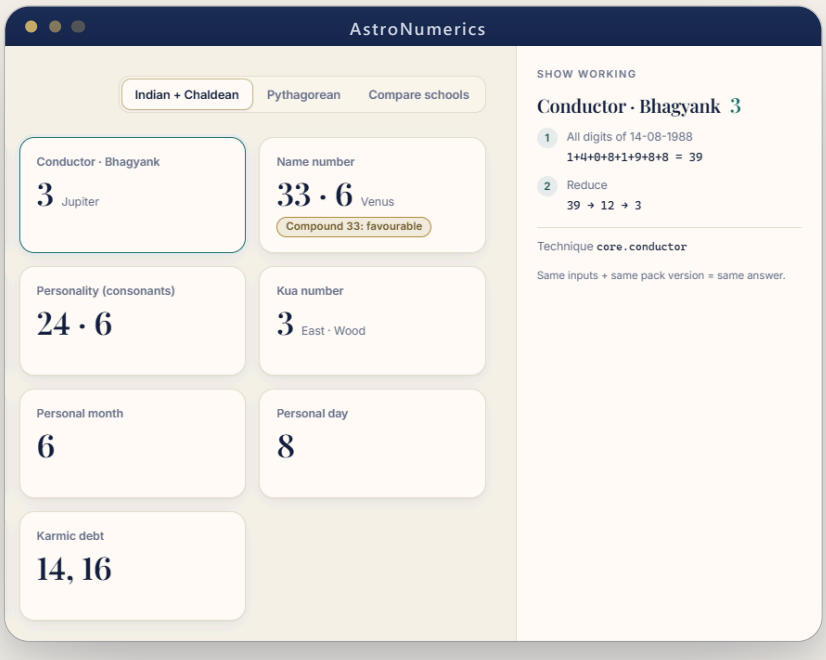

BEFORE		WITH ASTRONUMERICS
~~Hours of manual calculation~~	→	**A complete chart in seconds** Mulank, Bhagyank, name numbers, Lo Shu, the Vedic grid and running dashas, all at once.
~~"How did you get that number?"~~	→	**Every number traceable** "Show working" opens the full calculation, step by step, for any number.
~~Reports typed by hand~~	→	**Client-ready PDF reports** 20 report types, the Holistic Numbers Report included, with your business name, in English or Hindi.
~~Schools mixed up~~	→	**Schools side by side** Indian, Chaldean and Pythagorean results compared, never mixed silently.

BUILT FOR

Numerologists
Every major method in one program, with detailed readings for each number and combination.

Astrologers
Add numerology, dashas and auspicious dates to every consultation you already give.

Consultants
Name correction, Namkaran, signatures, mobile and vehicle numbers, business names and event dates.

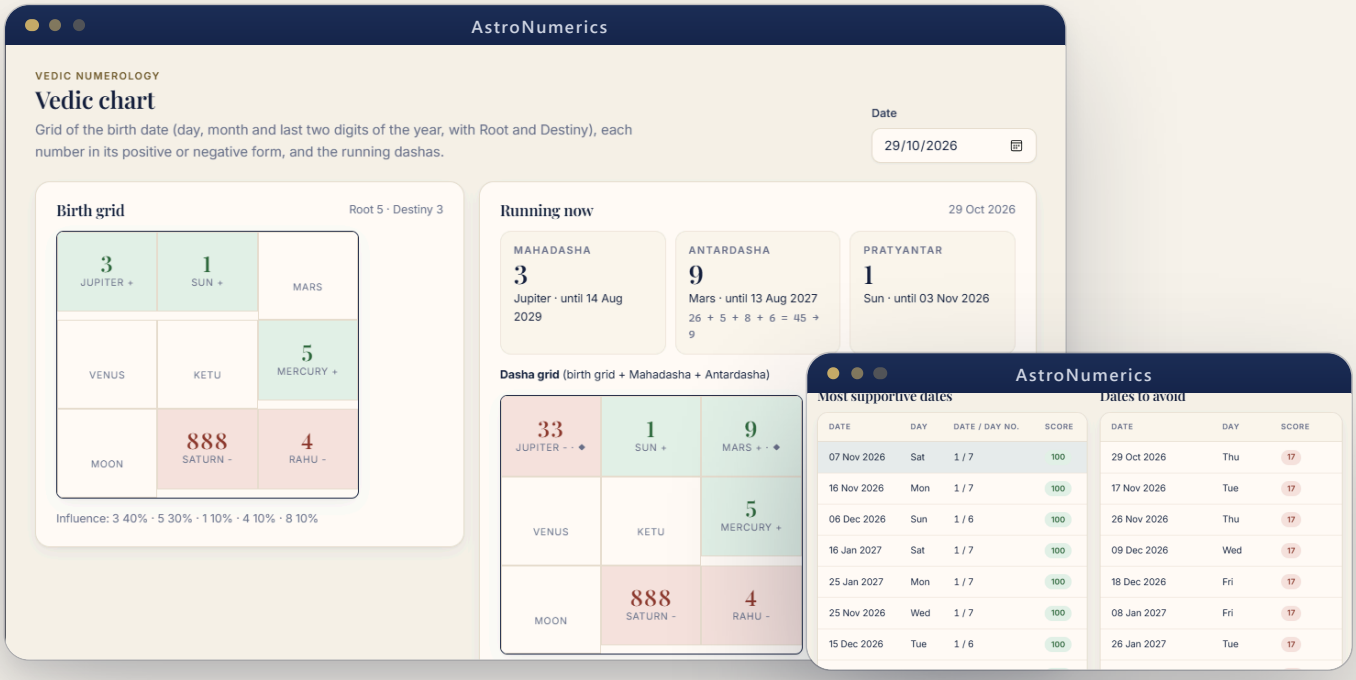

✦ "Show working": click any number and see exactly how it was calculated.

4 schools of numerology | **56** birth-grid combinations | **20** report types | **2** languages, one switch

FEATURES

Everything you need. *In one place.*

- ✦ Vedic chart: birth grid with positive and negative numbers, running Mahadasha, Antardasha and Pratyantar, and the dasha grid.
- ✦ Dates & events: the most supportive dates and the dates to avoid, ranked with a score.

Core numbers

Mulank, Bhagyank, name number with Chaldean compound, soul urge, Kua, personal year, month and day, karmic debt.

Rudraksha guide

1–21 mukhi and special beads chosen by Mulank, Bhagyank, name and concerns, with wearing and care guide.

Lo Shu grid

Planes, missing and repeated numbers, arrows of strength and weakness, Kua directions.

Vedic numerology

Vedic grid with positive and negative numbers; Mahadasha, Antardasha and Pratyantar with the dasha grid.

56 combinations

Each birth-grid combination with overview, personality, career, money, relationships, wellbeing and advice.

Personal Year Forecast

Any year: 12 life areas rated, quarters, best months, lucky factors of the year, and the dasha timeline.

Names & Namkaran

Ranked spellings with an explained score; child names ranked by Mulank and Bhagyank.

Signature & business

Signature numerology with guidance for each trait; business names with alternative spellings.

Compatibility

A 0–100 harmony score, plus Vedic matchmaking.

Dates & Muhurat

Best and worst dates for marriage, launch, travel or signing; Muhurat by the date's own grid.

Vehicle & mobile

Vehicle numbers read for the owner; a mobile advisor ranks numbers and suggests new ones.

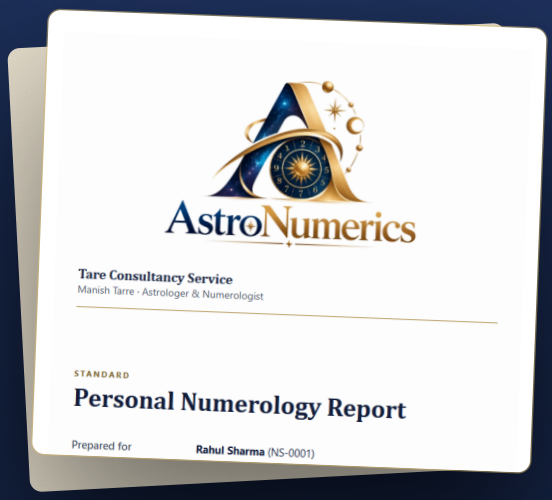

Your way

English or Hindi, 6 colour themes, light or dark, fonts, text size and your own dropdown lists.

REPORTS & AI ASSISTANT

Reports your clients *will keep.*

Pick a report, a package and a language, check the live preview and click Create PDF. Your business name and the AstroNumerics logo appear on every report, and every PDF is kept in the client's history.

Holistic · Personal · Vedic · Dasha · Annual · Five-year · Monthly · Career & finance · Name correction · Marriage · Marriage match · Compatibility · Lucky guide & remedies · Lo Shu · Mobile · Student career · Name year · Rudraksha · Business · Date selection

Basic
Clear and concise

Standard
The full reading

Premium
A 25–30 page booklet

Every report in English or हिंदी

AI ASSISTANT

Ask a question. *Get a report.*

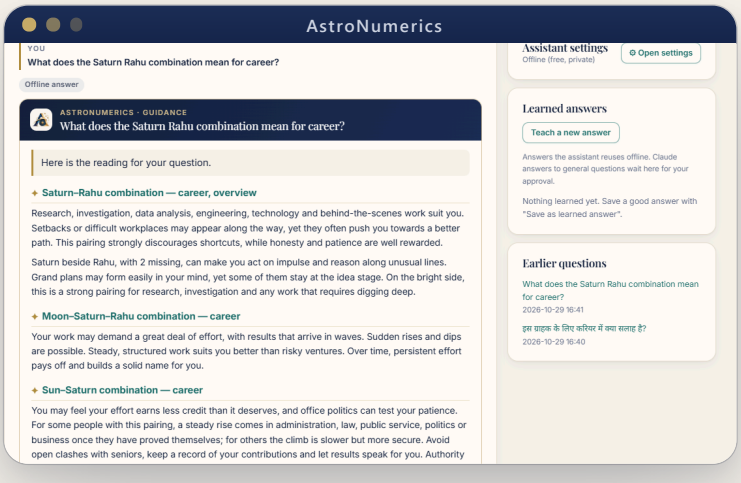

Ask in English or Hindi
about numbers, combinations, dashas, remedies or a chosen client.

Answers as a branded report
open it on screen or download it as a PDF.

Offline engine: free and private
works with no internet at all.

Learns from you
👍 / 👎 and your approved answers shape the next ones.

Optional online engine
Claude, with your own API key. No client name or birth date is ever sent online.

TRUST & GETTING STARTED

Your practice. Your computer. *Your data.*

Stays on your PC
Client records and reports are stored on your own computer.

Works without internet
All calculations and reports run offline.

Users and roles
Administrator, consultant and viewer accounts.

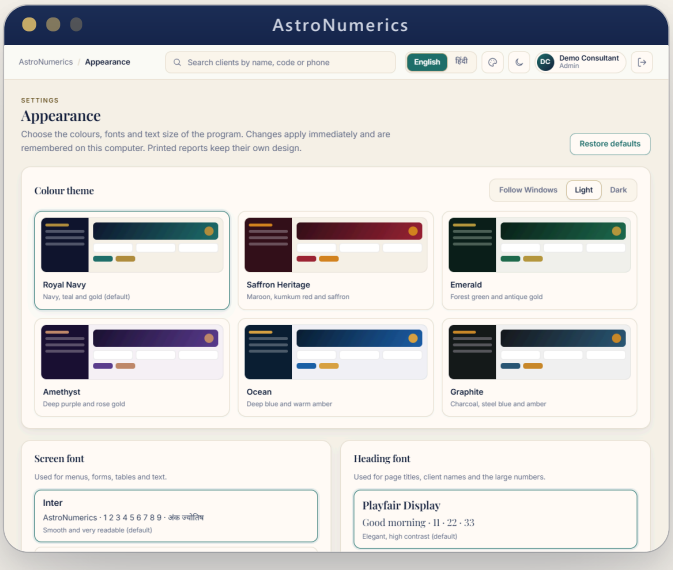

One-click backups
Back up everything and copy it to a USB drive.

PC-locked licence
Your licence key is made for your computer.

Your brand
Your business name on every report you hand over.

Start in three steps

1. **Install**
   One setup file installs everything. No internet needed.
2. **Try it free for 7 days**
   The full program, every feature, from day one.
3. **Activate**
   Send your Machine ID and receive a licence key for your PC. Your data stays as it is.

✦ Make it yours: six colour themes, light or dark, fonts and text size, all with live previews.

Start your 7-day free trial today.

Bring professional numerology to every consultation.
